Organizational Membership:

One fee covers your entire CTE staff and board members

Your school's decision to join Ohio ACTE as an Organizational Affiliate Member shows commitment to advancing career-tech and adult education in Ohio and offers your staff access to all the benefits of membership, including discounts to events and professional development opportunities.

When your school joins as an Organizational Affiliate each school year, staff members and school board members receive complimentary membership in Ohio ACTE.

Benefits of Organizational Affiliate Membership for your school:

Your Organizational Membership Reserves a Spot at the Student Showcase

Every other year, Ohio ACTE sponsors a student showcase at the Statehouse. All Organizational Affiliate Schools are invited to participate in this event that showcases their school and students to our legislators.

Recognition of School Support

Investing in your staff through this membership increases their commitment to Ohio ACTE and career-technical education. Join and become one of many schools supporting the advancement of CTE in Ohio. The Ohio ACTE Web site will include a link to your school.

Classroom Tools and Best Practices for Staff

Ohio ACTE and its Divisions offer many opportunities for professional development that is on point and fits the learning needs of career tech educators. As a member, your staff will receive emails and updates about professional development opportunities.

Ohio ACTE membership allows staff to attend the following at discounted rates:

Success Series workshops provide opportunities to interact with other educators and share career-field specific practices and programs in a small group, hands-on setting. Hosted by schools, you also get an opportunity to see labs and classrooms, as well as interact with other educators in your field. See the list of upcoming offerings at www.OhioACTE.org/Success-Series.

Division meetings and conferences provide targeted professional development and a way to learn more from your peers and others in a conference setting.

The Annual Ohio ACTE Connections to Education Conference provides opportunities to interact with other educators, businesses and the Ohio Department of Education Office of CTE staff. Attendees can choose from a variety of professional development sessions across a wide range of subjects designed to provide the most relevant and up to date information.

Leadership Opportunities

Ohio ACTE and its Divisions offer opportunities to serve as officers, volunteers or as a member of a committee, Ohio ACTE Divisions also hold their own meetings in their specific areas of concentration.

The **Shoemaker Leadership Institute** is another way to develop a holistic view of career-tech in Ohio through a long-term program.

Timely Legislative Representation

Ohio ACTE works with legislative counsel to ensure the interests of career-technical education are represented in today's government at both the state and federal levels. Affiliate memberships allow a stronger voice.

Career-Technical Education News

Ohio ACTE also delivers a monthly e-newsletter to keep members current on the latest announcements, events and opportunities across the state.

Professional Recognition

Ohio ACTE recognizes outstanding members through an awards program designed to showcase dedicated and innovative educators.
